

Corporate Portal

General instructions

Munich, September 2, 2019

Banking that matters.

Welcome to the Corporate Portal of UniCredit

In our exclusive eBanking portal for corporate customers, your online products such as UC eBanking global, GPI, UC Virtual Accounts, UC Trade Finance Gate and UC Trader are available to you in one place. You have access under the following link:

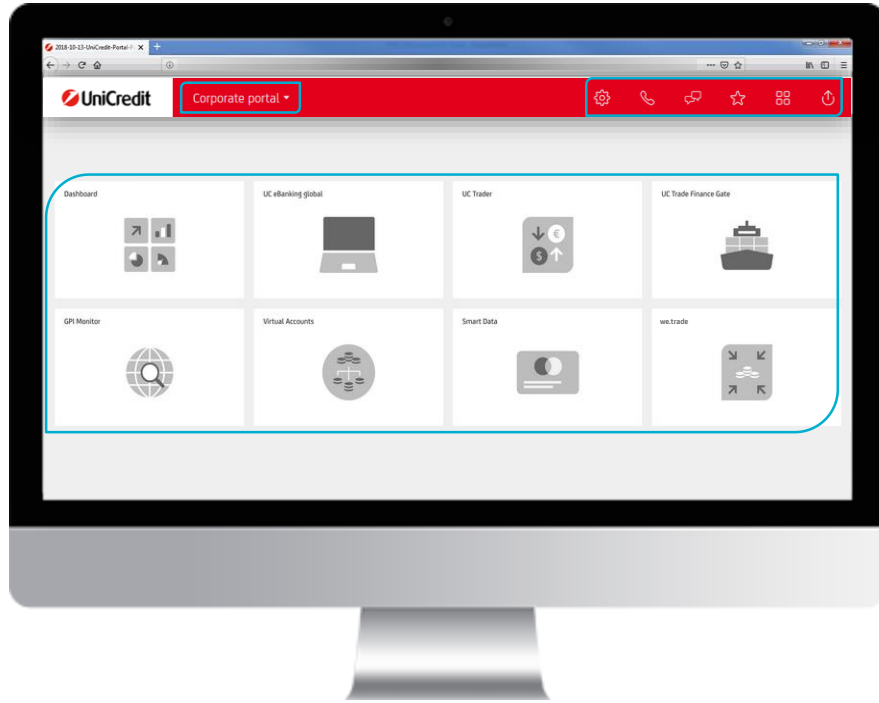

corporateportal.unicredit.de

Beside the access to your products, the Corporate Portal provides with the Dashboard and Communication Center further exclusive services.

In the following, we give you a general overview of the Corporate Portal.

General instructions(1/7)

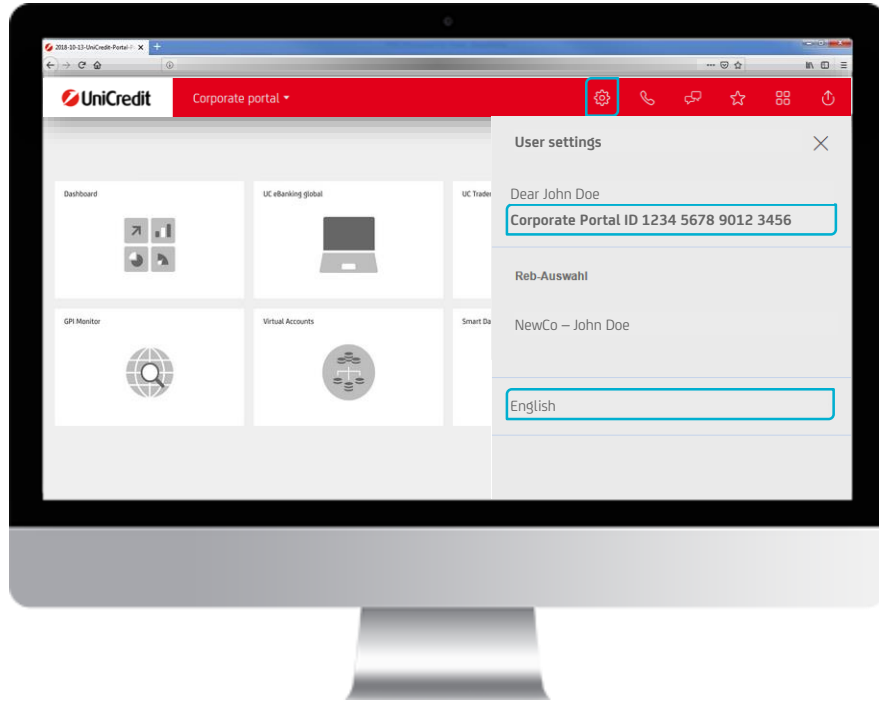

Steps

- Welcome to the Corporate Portal of UniCredit Bank AG
- After login, you arrive at your homescreen
- From here, you can easily navigate to your applications or the dashboard, switch to the user management via the menu bar or change the settings via the icons

General instructions(2/7)

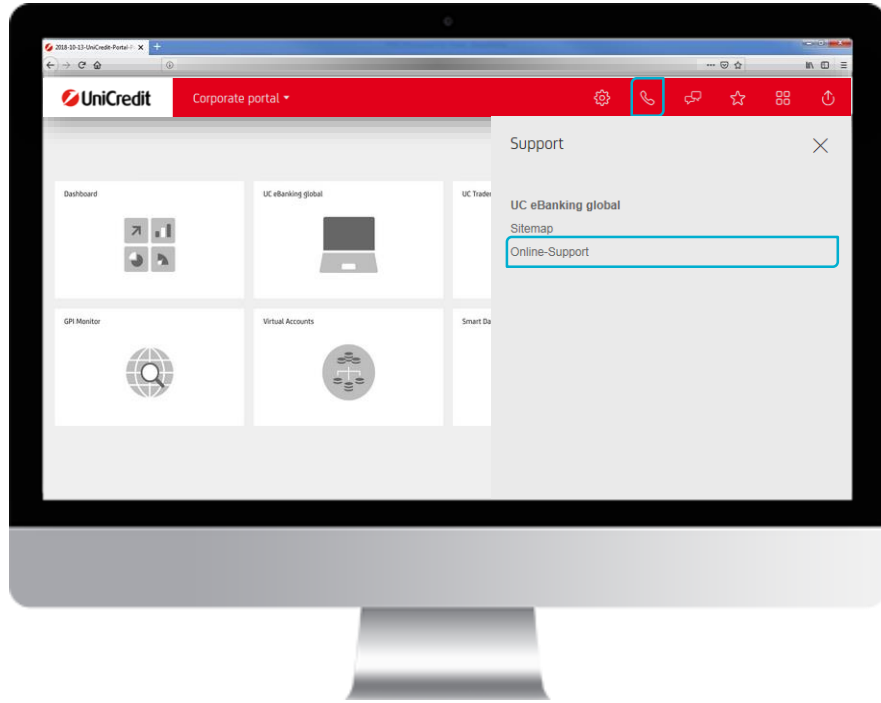

Steps

- Click on the gear to display your user settings
- You can see your Corporate Portal ID
- Additionally it is possible to change the language (German, English)

General instructions(3/7)

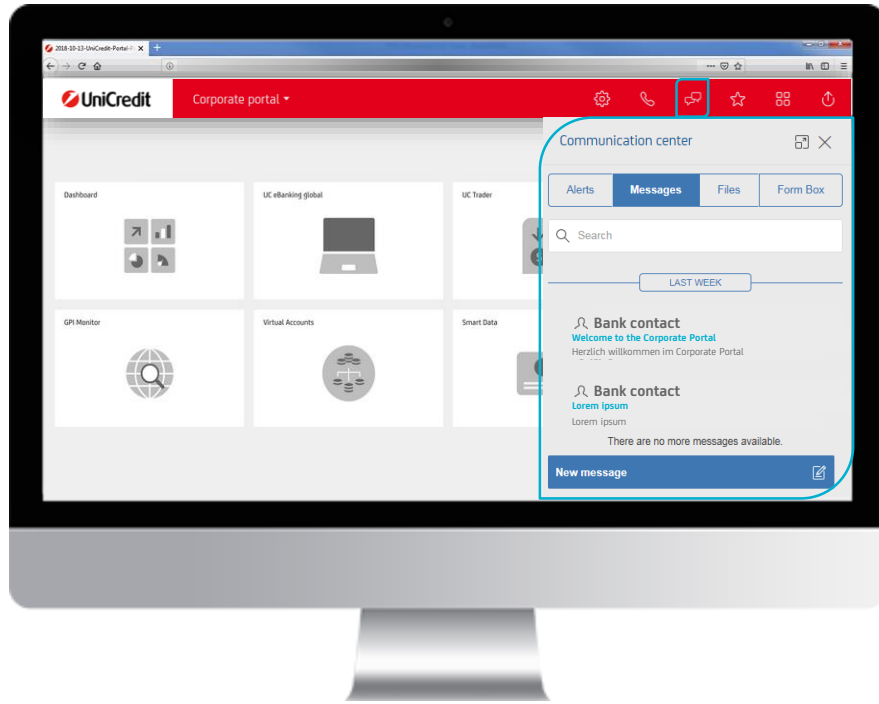

Steps

- You can reach the online support via the support section

General instructions(4/7)

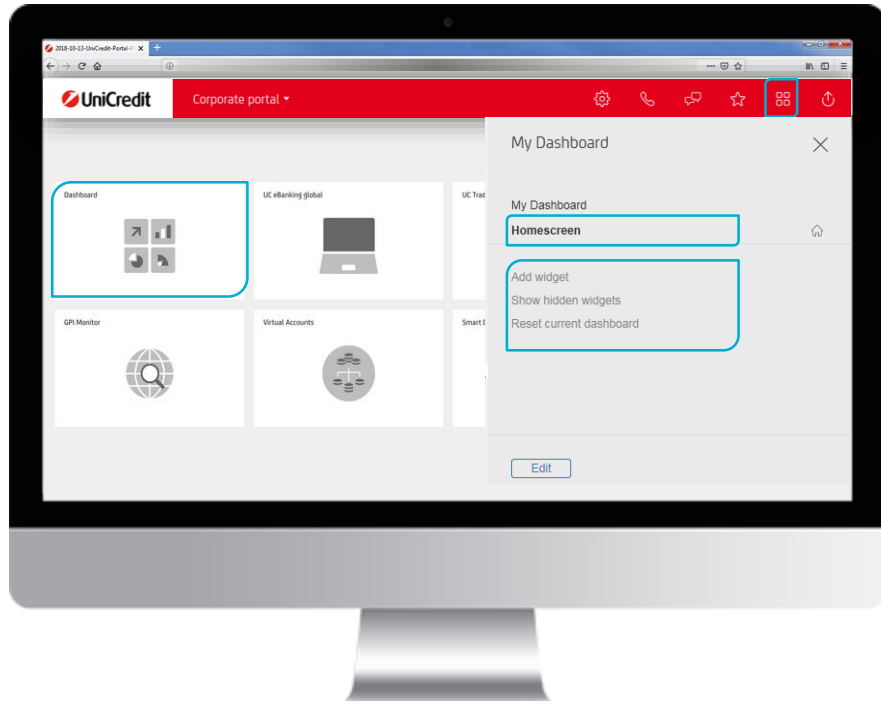

Steps

- In the communication center you will receive your messages
- In addition, you can contact your bank via the communication center
- However, this applies only to bank-known users, local users can not send messages

General instructions(5/7)

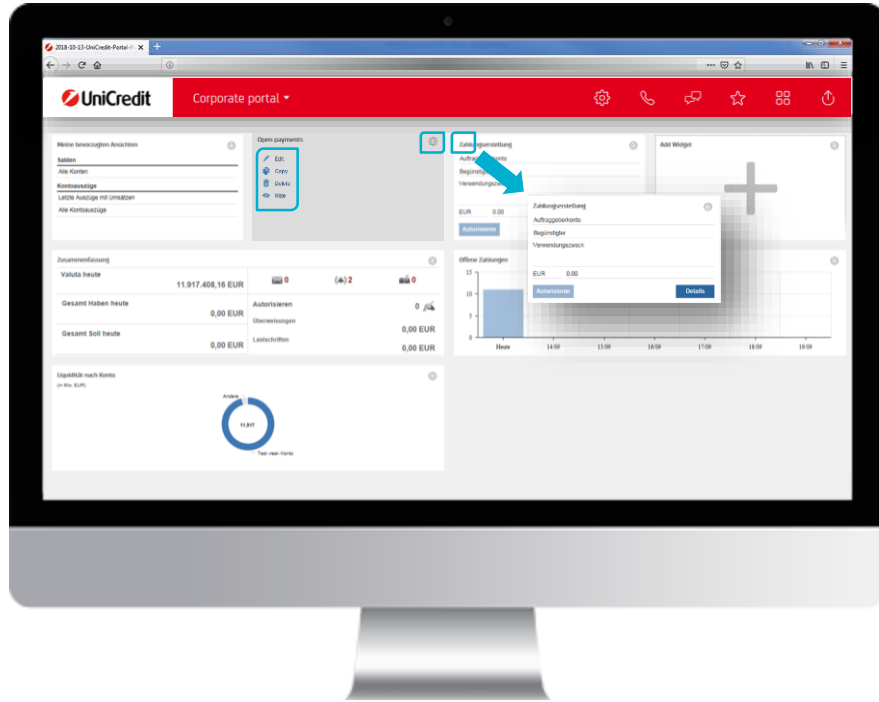

Steps

- Via the dashboard icon you get to the dashboard menu
- From here you have a direct access to your dashboard (as well as via the link on your homescreen)
- Additionally, you have the possibility to amend your dashboard, e.g. by adding further widgets

General instructions(6/7)

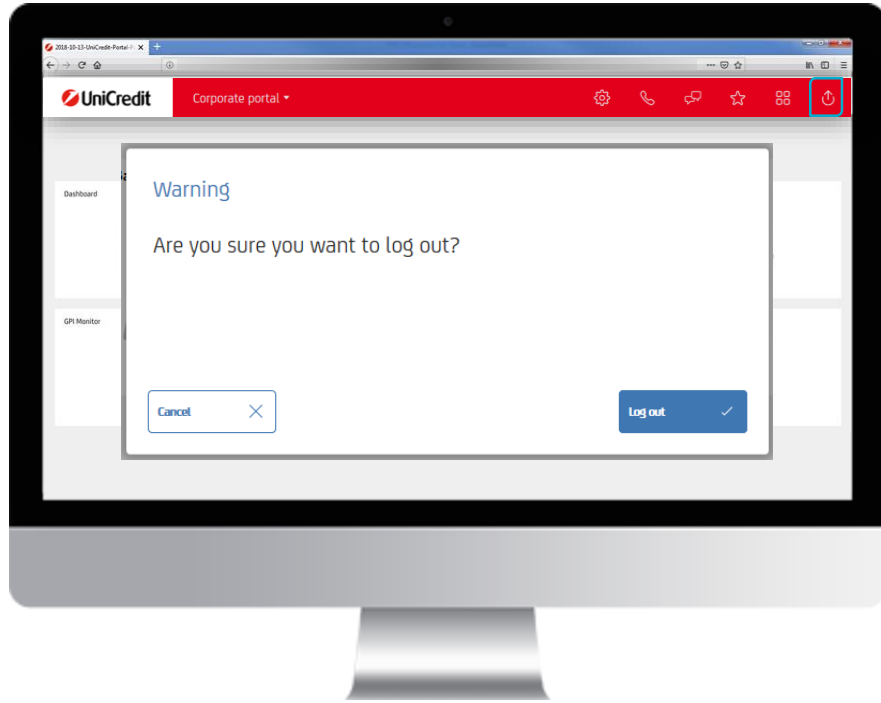

Steps

- You can personalize your dashboard
- Click the gear on the top right corner of the tile to edit or remove widgets
- If you click on the tile in the upper left corner and keep the mouse button pressed, you can move the tile

General instructions(7/7)

Steps

- With the log out button you end your session in the Corporate Portal
- Please confirm your selection with *Log out*
